NARRATIVE	<p>On 9-27-13, I contacted (V) and learned that he had been able to obtain the serial number information for his phone as well as his Apple login information. (V) provided same to me and at about 1700 hours I was able to track it to Elmdorf where it was mobile and eventually to Genesee St/West High Ter amongst a group of 30 people. I activated the alarm and all of the above fled on sight of marked police cars so it was impossible to tell who had it. The phone was last activated at 2130 hours somewhere on Stratford Pk and is now off.</p> <p>(V) was advised of this and informed me that he is still confident in his ID of (S) Miller. I also checked 22 Bradburn St twice but the occupants would still not come to the door.</p> <p>I entered a teletype for said phone.</p>
